PROFILE

B.Sc. Agriculture graduate specialising in horticulture, with a six-month field placement under a Prime Minister Agriculture Modernization Project vegetable zone. Trained around 150 farmers on nursery management and integrated pest management, and ran soil sampling for 40 farms. Looking for an extension or JT role with a palika, project or agribusiness.

EXPERIENCE

Agriculture Intern — Mangsir 2081 – Jestha 2082
PMAMP vegetable zone — project implementation unit · Chitwan

- Trained around 150 farmers in five groups on nursery raising and integrated pest management
- Collected and sent soil samples from 40 farms and explained the results to the farmers
- Supported the subsidy verification of 25 plastic-tunnel beneficiaries
- Wrote monthly field reports for the zone office

Field Volunteer — 2080 – 2080
Agriculture cooperative · Nawalparasi

- Helped a 90-member cooperative set up collective tomato marketing
- Kept price and volume records that the cooperative still uses

EDUCATION

B.Sc. Agriculture (Horticulture) — 2077 – 2082
Agriculture and Forestry University · Rampur, Chitwan
Thesis on the effect of mulching on off-season tomato yield.

SKILLS

- Farmer training and extension
- Vegetable and nursery production
- Integrated pest management
- Soil sampling and interpretation
- Field reporting
