## PROFILE

Staff nurse with four years in a 100-bed hospital, registered with the Nepal Nursing Council. Have worked general ward, emergency and post-operative care on rotating shifts. Trained in BLS and comfortable handling admission through discharge alone on night duty.

## EXPERIENCE

**Staff Nurse — Emergency and General Ward** — Shrawan 2080 – Present
Koshi City Hospital · Biratnagar

- Rotating duty across emergency and general ward, 20 to 25 patients per shift
- IV cannulation, catheterisation, wound dressing, ECG and vitals monitoring
- Handle admission, discharge and referral paperwork on night duty without senior cover
- Orient and supervise PCL nursing students during their ward posting

**Staff Nurse — Post-operative Ward** — Baisakh 2078 – Ashadh 2080
Purbanchal Nursing Home · Biratnagar

- Post-operative monitoring and pain management for general surgery cases
- Maintained medication charts and reported changes to the duty doctor

## EDUCATION

**PCL Nursing** — 2074 – 2077
Birat Nursing Campus, CTEVT · Biratnagar
Ward posting at a 300-bed teaching hospital.
