PROFILE

Health Assistant with four years at health post and PHC level in Kailali and Bardiya. Runs OPD for around 60 patients a day, handles safe-delivery referrals, and has led two immunisation campaigns covering nine wards. Registered with the Nepal Health Professional Council. Comfortable working as the senior clinical staff at a post without a doctor.

EXPERIENCE

Health Assistant — Baishakh 2081 – Present
Narayanpur Primary Health Care Centre · Bardiya

- Run daily OPD for around 60 patients, the senior clinical staff present on most days
- Manage emergency stabilisation and referral to Bheri Hospital, around 25 referrals a month
- Supervise four staff including an ANM and two community health volunteers
- Maintain HMIS reporting and monthly drug stock records for the centre

Health Assistant — Shrawan 2079 – Chaitra 2080
Dhansinghpur Health Post · Kailali

- Provided OPD, antenatal check-ups and safe-delivery support at a post serving nine wards
- Led two national immunisation campaigns, reaching around 1,200 children under five
- Trained six female community health volunteers on danger-sign recognition in pregnancy
