EXPERIENCE

Pharmacist Ashoj 2080 – Present
Koshi Community Hospital Pharmacy · Biratnagar

- Dispense around 180 prescriptions a day and counsel patients on dosage and interactions
- Maintain the narcotic and psychotropic register to DDA requirement; two inspections passed with no observation
- Manage stock of around 900 line items, cutting expiry write-off from 4% to under 1% in a year
- Supervise two assistant pharmacists and train new joiners on prescription reading

Assistant Pharmacist Baishakh 2078 – Bhadau 2080
Sanjeevani Medical Hall · Itahari, Sunsari

- Dispensed at a retail counter serving around 120 customers a day
- Handled purchase from three wholesalers and monthly stock reconciliation
- Advised on OTC medicine and referred cases needing a doctor rather than selling

EDUCATION

Bachelor of Pharmacy (B.Pharm) 2074 – 2078
Purbanchal University · Biratnagar
Hospital pharmacy internship in the final year.

SKILLS

Prescription dispensing · Narcotic register / DDA compliance · Inventory and expiry control · Patient counselling · Pharmacy billing software
