Visitor visa (subclass 600) application: Our son's graduation in Sydney, 2 April – 14 May 2027

Dear Sir or Madam,

I am Hari Prasad Adhikari, 56, and I run an electronics shop in Pokhara. I am applying for a Visitor visa (subclass 600) in the Tourist stream to attend my son's graduation in Sydney and to spend time with him. I plan to arrive on 2 April 2027 and leave on 14 May 2027, a stay of six weeks. My wife, Sita Adhikari, will travel with me. She has lodged her own application at the same time as mine, with the same dates and plan.

Our son, Suman Adhikari, completed a Master of Professional Accounting at [university], Sydney, in November 2026. His graduation ceremony is on [date] April 2027, and the university's invitation is attached. He now holds a Temporary Graduate visa (subclass 485) and works as an assistant accountant in Parramatta. His attached letter invites us, gives our relationship and the purpose and length of our visit, and says that we will stay in the two-bedroom unit he rents in Parramatta. After the ceremony we plan a week with him in Canberra and the Blue Mountains, and the rest of the time at his home. We have not seen him since he left Nepal in February 2024.

I will pay for the trip. Return flights for the two of us cost about NPR 3.4 lakh, as our travel agent's quote shows. The two visa fees come to AUD 500, and we have set aside AUD 3,000 for travel insurance, local travel and daily costs: about NPR 3.5 lakh together, at NPR 101 to the dollar. My shop's taxable income was NPR 14.6 lakh in fiscal year 2082/83, as the tax return and audited accounts show. I hold NPR 11.8 lakh in my savings account, as the itemised statements for the last three months show, and NPR 10 lakh in a fixed deposit. Our son will give us our room and meals; his payslips are attached with his letter.

My shop, Adhikari Electronics in Chipledhunga, has been registered since 2005 and is VAT-registered; its registration, VAT certificate and tax clearance are attached. My nephew, who has worked there for eight years, will run it while we are away, but the stock orders and the accounts are mine. My mother, who is 81, and our daughter, who is in the third year of her BBS in Pokhara, live with us in our own house, and my sister will stay with them while we are away. The family owns the house and 1 ropani of land in Syangja, as the land ownership certificates show. Our home, our business and the rest of our family are in Nepal.

I visited Thailand on a tourist visa in 2018 and the United Arab Emirates in 2023 for a family wedding, and returned on time both times, as the visas and stamps in my passports show. Sita has travelled only to India. Neither of us has applied for an Australian visa before, and neither of us has been refused a visa by any country.

We understand that we may not work in Australia and that we must leave before our permitted stay ends. Our travel agent has reserved return seats from Sydney on 14 May 2027, and we will pay for the tickets only once

the visa is granted. We will hold travel health insurance for the whole stay. Every date and figure in this letter matches our forms and documents.

Sita and I both take medicine for blood pressure. We will carry enough for the whole stay, with our doctor's prescriptions in English, and our travel insurance will cover emergency treatment.

Yours faithfully,

Hari Prasad Adhikari
